Additional Information

All deliveries are made with tail lift offload and manoeuvred with pump trucks. Deliveries are sold as curbside only and customers must ensure there is sufficient access and available hard standing to offload the consignment as deliveries cannot be made onto uneven surfaces such as gravel or grass. Customers will be responsible for delivery surcharges if delivery fails due to insufficient access or offload conditions. If you have any queries or to make special arrangements please call us on 01994 231121.
